

NVOU Condenser Unit (Outdoor Unit)

NVOU Condenser Unit (Outdoor Unit)

NVOU outdoor unit is high efficiency and especially suitable for markets and supermarkets applications with low noise and vibration, and minimum energy consumption.

- Integrated Electric Board that has a Control outputs for indoor units.
- Easy Maintenance.
- High Quality Equipment.
- A High Temperature Suitable Condenser Coil.
- Compact Design Ready for Installation.
- Vibration-Free .
- Quick& Easy Installation.
- Ultra Quiet Fan.
